From The Commodore

Here we are about to have the first meeting of the New Year and begin the planning for the upcoming activities. I would like to congratulate Dick Quigley for his wonderful stewardship of the club last year and for arranging the wonderful Banquet at Florintenas. Personally I think that was the best in several years. Thanks again Dick.

All of those involved in last year's success are to be congratulated on their efforts. It was a great year for the club and I hope to continue this year with the help of all the officers and those already in place as committee chairpersons. We will need help as always and will begin planning at the meeting including obtaining commitments for various jobs. Ken Nelson, Race Committee Chairman, yet again, will bring the proposed race schedule for discussion and sign up for individual race days. I am sure he and Dave Gilles will also be looking for sign up on the

Desert Regatta. We will also need to be thinking of social events to keep Quig's effort going for a more social club. These events are always a lot of fun and provide us all a better opportunity to get to know each other. Please feel free to email me any suggestions you may have at mcvicker01@msn.com. While I am on the subject of email, it would be really great if the club could have your email address for notices etc. Please send your email address to me and I will help Wanda and Ken Nelson compile the list. I am looking forward to a great year of racing, cruising and socializing.

Thanks, Roger McVicker
