From The Commodore

Summer has arrived; at least Summer Weather is here. We have just finished the Desert Regatta and I understand that we did well with the finances. That is always a concern when the attendance is low in some years. We do have a few, (10-15) tee shirts left in all sizes and they will be at the next meeting if you want one. I understand that Rick Ashworth & Dawn Roy will host a social in June and I am supposed to present the

San Juan 21's blast out from the dock for the next race at Desert Regatta

slides of my trip from San Francisco to Newport Beach, California aboard the Alaska Eagle. This is a 65' aluminum Cutter rigged boat designed for the Whitbread around the World race in 1978, which she won. It was great fun and a wonderful learning experience. I hope to see you on the water and at the social in June. Also, as you are aware, we are looking for more members so if you need applications they will be at the meeting.

Roger McVicker

CBSC Meeting Minutes (May 9)

The meeting was called to order by Commodore McVicker at 1945 hours. The Secretary read the minutes, and they were approved.

The Treasurer could not give a comprehensive report on Desert Regatta finances, other than to say that we collected \$1978. Not all the bills are in yet, so a final tally has to wait.

There was a discussion about the Desert Regatta. Ken Nelson congratulated the race committee...everyone agreed that Rick & Dawn did a great job. Paul Reeder reported that the Thistle sailors said they had a great time.

Despite a yeoman's effort by Dick Quickly to sell all the T-shirts, the club still ended up with several extras. Please see Dick if you would like to buy another one or two.

Scott discussed the schedule for the San Juan 21 Western Nationals and described some of the various tasks that would need to be done. He also circulated a sign-up sheet for various tasks. The weekend after the Western Nationals, Rick and Dawn are planning a Club social function at their house. There will be more details on this at the June meeting.

The schedule for the Mexican Downriver was discussed: skippers meeting at 1000 with the start planned for 1030.

There was a suggestion that we post our membership list on web site, perhaps password protecting it to preserve privacy. After some discussion it was decided that the roster would be included in next LW, and would not be carried on the internet.

Several members have received inquiries about the sailing club and sailing in general. It was suggested that cards be made up with pertinent information about CBSC, including our URL.

Paul Reeder showed slides from 1999 Louis Vuitton Cup on the Hauraki Gulf in New Zealand. These were taken by the son of a friend, and showed some great, close-up racing action.

Scott Petersen

Summer Social

Rick Ashworth and Dawn Roy have graciously invited the club for a Potluck BBQ at their home on Saturday June 30 at 5:30pm. This will be a semi organized potluck, so if your last name begins with A-F please bring an hors' d'oeuvre. G through M's please bring salad and N through Z's will bring dessert. Dawn suggests that we bring lawn chairs and families are welcome. This will be BYOB

Was that fun or what?

Mexican Downriver 2001

This year's Downriver was a lot of fun for the seven participating boats. Conditions were typical for this event, leaving all of us quite happy that the current would eventually take us to our destination. Alan Brothers did a great job as our race committee. Ken Nelson was right on time for the start thanks to a postponement by Alan (When Ken retires from racing we should consider a Ken Nelson Memorial Race with participants required to arrive not prior to the yellow flag) Rick Ashworth and Dawn Roy wetted their brand new Capri 14.2. In addition to Nelson the Gilles's *Flying Pickle* and Roger McVicker represented the Flying Scot's. Paul Reeder had his *Thistle* on the water with a pirate crew. Scott Petersen was there with *The Magic Juand* and Terry Power's *Demon* and Terry Filson's *Fireball* rounded out the fleet. The early part of the race provided ample opportunity to make use of water cannons. Powers cleverly adapted his bailer when young Maddy Nelson beset him. Maddy's goal was to wet everyone on the water, however Filson's *Fireball* was not to be seen soon after the start. The wind picked up by the time most of the fleet reached the 182 bridge and the fleet separated. Paul Reeder was first to finish, however Rick and Dawn walked away with the honors, proving that the last shall be first. About 20 of us enjoyed a fine meal at Casa Chappala. As always this event was an admirable mix of racing and socializing. . **Wanda Haddon**

San Juan 21 Western Nationals

CBSC is honored to host the San Juan 21 Western Nationals this June 21st through 23rd. This promises to be a major event with as many as 100 people expected to participate. Scott Petersen is chairing this event and volunteers are always appreciated. Scott has created this chart to indicate what help is needed and when. If you are able to help please contact Scott or the lead person for the task you would like to help with.

The official Western Nationals Website is at

CBSC Membership Roster

Here is the current membership roster. Please check to see if your information is complete and up to date (including current dues status) As was previously discussed at our meetings there was some confusion at the January awards banquet where some members paid their dues with dinner. If you are not marked as paid for 2001 and you have paid dues, please contact Alan Brothers so we can get this straight. Also, if you are not current, your prompt payment of dues is appreciated! *Email Addresses really help for last minute notifications*
